| Seller | ★★★★☆ | 7/8/2025 | I would have liked to know when our signing date/time was earlier. (Not sure if this is due to an issue with Realtor Team or Closing Team...), but the signing experience was great, and especially appreciate the courtesy signing for our purchase in Spokane! Thanks :-) |

| Seller | ★★★★☆ | 6/11/2025 | The actual closing experience was awesome! Very friendly and helpful personnel. Downgrade is due to problem cashing the escrow check issued to us "at least a week for the check to clear and make funds available. This is mostly a bank issue I guess but really detracts from what was otherwise a great experience. |

| Seller | ★★★★☆☆ | 3/20/2025 | A key rule for successful meetings was not applied; we asked for, and were assured that we'd be able to review documents a few days before closing. That didn't happen, and added stress and frustration to what could have been an efficient and painless event. Other than that, one item on the closing statement was incorrectly calculated and credited to the buyer, but should have been to the seller; fortunately Pioneer discovered that after signing but before processing and recording. |
