Borrower	★★★★★	10/14/2026	Pioneer was very easy to work with. As a first time home buyer, I was anticipating an overwhelming experience but the staff at Pioneer made the entire process incredibly easy. From explaining the signing papework in an easy to understand manner to keeping me updated on the process every step of the way, I was so pleased with my experience.

Selling Agent	★★★★★	9/3/2026	Good job!! Great service and works great with clients. Thank you Maria
Selling Agent	★★★☆☆	9/2/2026	We were under contract for 45 days, so would have hoped the mobile home title discrepancy would have been discovered earlier than the week of closing. I also had to send the estimated closing statement back twice because it contained lending and mortgage-related fees when this was a cash transaction on both sides. Everyone at Pioneer Title was lovely to work with, but those two issues were frustrating.

Seller	★★★★★	6/15/2026	Everyone we worked with was extremely nice and made us feel glad to be there. Melissa was great to work with - as was Teddy. They had great knowledge of the paperwork and were able to answer any questions we had. The candy at the front and in the signing room was a nice touch, haha and the pens are incredible - thank you! Also, we needed to change more than one of our signing appointments, and Melissa and Teddy were both really good about accommodating our changes, and were willing to change the appointments quickly and were professional about it. Thanks to everyone!

Borrower	★★★☆☆	3/3/2026	Very friendly and professional demeanor. I appreciated the kindness shown to me on a personal level. Important details in the final documents were erroneous, The process was rushed at the end. This could have easily been avoided by responding to my requests for documentation review in the 4-5 weeks prior to signing. I foresaw the inevitable rush, but was dismissed when I had expressed my concern that I may need to provide additional documents. Regardless, it's a huge document, we signed in a hurry. Having straightforward numbers incorrectly represented on the final documents shakes confidence in the accuracy of the rest of the document. Ultimately, I like the people but the gravity of the transaction warranted exceeding attention to detail and they fell short in that capacity

Borrower	★★★★★	1/28/2026	I had a great experience working with Pioneer Title Company in Wenatchee. The entire team was a pleasure to work with - professional, responsive, and very knowledgeable. They always took the time to answer my questions and made the whole process smooth and stress-free. I really appreciated their communication and attention to detail. I wouldn't hesitate to use them again and highly recommend them to anyone needing title services!
Listing Agent	★★★☆☆	1/27/2026	I typically use Stewart Title and my office's commission check is always wired the day of recording so I am able to get my commission the following day. Transaction closed on a Thursday and I didn't receive my commission until Monday. Other than that transaction went smoothe.

Seller	★★★★☆	1/13/2026	My only problem was that they refused to change language in the deed to meet recommendations from our attorney. They sent out documents to be signed before they were approved and refused to change them. The communication was lacking and that needs to be improved.

Borrower	★★★★★	1/12/2026	Signing was very smooth. The only hitch was receiving an email after that reported a problem with one of the county lien charges. I had to write a check for $210.62 which was unexpected but was in and of itself, no big deal. I will use Pioneer Title for my next mortgage.

Borrower	★★★★☆	12/18/2025	Staff were very friendly and efficient. It would have been nice to have a "what to expect" notification at least a few days prior to signing. I didn't realize that I would be called the morning of (at 10 am) on a Friday and expected to be in the office to sign before they closed at 3 pm with all closing funds ready. This is difficult to manage with work, etc. and ensuring the funds aren't tied up in other accounts, etc. More of a heads up would have been appreciated and caused a lot less stress.

Seller	★★★☆☆	10/25/2025	After many conversations about the name that should be on the check at closing it was still issued in the wrong name. The check had to be mailed back to Pioneer at a cost of $56 and it will now be another week or more before we receive our payoff from the sale of our house. It's a lot of money to be trusting the post office with. This is my reason for only a three star rating.

Borrower	★★★★★	7/16/2025	Pioneer was amazing to work with. We were over an hour late for our appointment to sign and the staff was warm and welcoming even though we showed up when they were supposed to be leaving for the day. I can't say I would be as nice as they were. Everything throughout the process went very smoothly and it was a pleasure to work with them.
